Rating:5

Description: Looks brand new. Works great. There was a small sharpie mark on the fan but I was able to remove it. No complaints.

User:rw-orders

Rating:5

Description: looks brand new for B grade! definitely happy with the my purchase and it works great.

User:cats2win

Rating:5

Description: Perfect for our new addition! its quiet and cooling! with a family of dogs this is definitely a HUGE help in our house!

User:franconero1212

Rating:5

Description: Item looks brand new. Works great. Thanks

User:slypannda

Rating:3

Description: Just bought this for my wife and everything is good except the remote doesn't work. We changed out the battery and everything and still no luck. Its an inconvenience to go on amazon to buy another one

User:birdog3178

Rating:5

Description: Good so far! Said my hungover fried egg sandwich was creating bad air quality, I believe it. Go bills!

User:4dogstoone

Rating:5

Description: The fan looks new and works well. It has a lot of speeds and oscillates to cover a wide area. So far it is a great fan and I'm happy with my purchase.

User:brathj09

Rating:5

Description: Item looked as if it was brand new and works very well!

User:44jqp_4

Rating:5

Description: Works great. One minor scratch and the remote doesn't light up really. Very pleased.

User:roball7940

Rating:5

Description: Easy setup, seems to work very well. Pretty much plug and play.
